To whom it may concern

I confirm that we have business with Kesford (Hong Kong) Ltd. since 2005 during which time they have provided our projects with excellent technical support and advice in waterproofing.

Through the years, Kesford has been proved to be very knowledgeable and highly professional in waterproofing. I can confidently recommend Kesford as a solid and reliable advisor, and experts in their field.

Thank you for your kind attention.

Yours faithfully,

For and on behalf of

KIM HUNG CONSTR. & ENG. CO., LTD.
